

Editor's Comment:

I found the following:

1. The title is meaningful.
2. Abstract is appropriate.
3. The introduction is explanatory.
4. A review of Literature is sufficient.
5. Methodology is relevant.
6. Data Analysis is significant.
7. Discussion & findings are proper.
8. The conclusion is comprehensive.
9. References are sufficient.

I accept the paper entitled "Employees' Compensation Packages and Profitability of Consumer Goods Firms in Nigeria" for publication.
