<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>		
<p>Optional/General comments</p>	<p>This paragraph has different citation format which used bracket [] instead of (). Corporate responsibility and corporate financial performance have a positive relationship for companies with high financial awareness (Servaes & Tamayo, 2013).</p> <p>For example, many of the text is using this in-text citation. Garp's research shows that research has the opposite result [14] that abnormal CSR does not have a significant effect on the company's financial performance as assessed by stock returns.</p> <p>Be consistent in citation format.</p> <p>Provide recommendations on how the results will be used by the companies to improve their CSR.</p>
