

**Editor's Comment:**

Cass Report is written only without the name of the college, provided that it is within the parts of the research and in its paragraphs

According to the journal's publishing policy, references are more than required

Provided that it does not exceed 20 references

Everything that is changed and rewritten again is highlighted in red

In the graphics paragraph, Table 2 was mentioned twice

Tables: The font is adjusted to normal

Also, write the CONCLUSION paragraph only, without recommendations

CONSENT It is required to rewrite it completely, delete the emails from it, and remove the icon for the college name.

After making the necessary amendments in accordance with the publishing policy, the research case is published.
