

Review Form 1.7

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_105991
Title of the Manuscript:	STUDENT'S WILLINGNESS TO CHANGE A PATHWAY TO CARBON NEUTRALITY
Type of the Article	

Review Form 1.7

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Title:</p> <p>You conducted your survey only on the students of University of Salford, so the title should contain the university name too. Title may be like "STUDENT'S WILLINGNESS TO CHANGE A PATHWAY TO CARBON NEUTRALITY: A STUDY AT UNIVERSITY OF SALFORD". Take it as a suggestion, you can re- arrange as per your choice and convenience.</p> <p>Keywords:</p> <ol style="list-style-type: none"> i. It is good to arrange the keywords in ascending order (A to Z), 	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> 1. Is language/English quality of the article suitable for scholarly communications? 		
<p>Optional/General comments</p>	<p>Introduction:</p> <ol style="list-style-type: none"> i. At the beginning of number two (02) paragraphs, insert a few sentences to describe the concept of carbon neutrality for better understanding of the readers. ii. In paragraph number two (02), insert a few sentences to discuss the role carbon dioxide in global warming. iii. In paragraph number three (03), give one or two examples of global warming impacts, already experienced in contemporary time. iv. In paragraph number five (05), please mention a few alternative ideas for reducing carbon emissions. v. In paragraph number seven (07), please mention the present (any year after 2020) worldwide and continent wise rate of urbanization instead of 2017. (with citation) vi. Add few more sentences with citing publications in recent past on similar topi, if any. Articles published in recent years are essential. 	

Review Form 1.7

	<p>2. RESEARCH METHODOLOGY</p> <p>2.1 Study Area:</p> <p>i. Please exclude the 'study area' from the research methodology, write it separately. ii. Write few more sentences to describe the University of Salford and its importance. Also include few sentences to justify about your selection of the study area. iii. Please mention the latitude and longitude of the study area, Salford and if possible provide a location map of your study area.</p> <p>2.4 Method of Data Collection:</p> <p>Please mention the time (date in DD/MM/YY format) and duration of data collection through online survey in method of data collection. Though you have given all the dates in 'project task description' in appendix.</p> <p>3. RESULT AND DISCUSSIONS</p> <p>i. In table no. 1 (Demographics of Respondents), please write 'Under eighteen' numerically as < 18 Years.</p> <p>ii. In table no. 2 (Spearman's rho Correlation Matrix) give a heading at column no one (01) and create space between each row for better understanding.</p> <p>ii. 3.1 Respondent's sources of climatic information: You may include a graphical figure (bar or pie graph) for better representation.</p> <p>iii. 3.3 Respondent's acceptance of climatic policies: Please add a column for total number of respondent for better representation in Table 1.</p> <p>4. CONCLUSION AND RECOMMENDATION:</p> <p>i. In first sentence of second paragraph, please start the sentence as 'According to the present studies'. Don't write 'study survey'. ii. In the same paragraph add a few sentences to justify your conclusion that you came across. iii. In recommendation, you may include few more points highlighting the awareness campaign, lifestyle modification, enhancement of spirituality among youth and implication of social wellbeing and justices in society, if applicable.</p>
