

Editor's Comment:

I have gone through the original manuscript, comments by learned referees, and corrected manuscript and my comments are as under,

1. Overall interesting studies carried out in the manuscript.
2. Corrections suggested by referees are incorporated in revised manuscript.
3. Minor corrections suggested by me is, if authors can elaborated on application aspects of this work in Abstract and Conclusions.

With all above and minor corrections, I recommend to accept this manuscript for the publication.
