However, this manuscript needs to be improved, including: 1. In the introductory section, it should be stated how much protein sunflower seed cake contains and the range of sunflower seed cake protein requirements as a substitute feed. 2. In the introductory section, it should be stated whether giving sunflower seed cake as a protein substitute or suppressing the unfavorable effects of copra cake. 3. In the introductory section, it is better to mention the potential substitute for sunflower seed cake, which has economic value compared to copra cake. 4. For the approval of the ethics committee, it is necessary to mention the registration number and the year the ethics certificate was issued. 5. All data illustrations in tables and diagrams need to be cited in the discussion.	
<b>Minor</b> REVISION comments  <b>1. Is language/English quality of the article suitable for scholarly communications?</b>
