

**Editor's Comment:**

This paper can be accepted after some revisions. Some suggestions are as follows.

1. Please give full name of CWSI in the abstract.
2. Equation 2.1 is not clear.
3. To point out the intention and the effort in the "introduction" section.

**Editor's Details:**

Dr. Xiao-Feng Sun  
Associate Professor, School of Chemistry and Chemical Engineering, Northwestern Polytechnical University, China.
