<p>1. Keywords are missing.</p> <p>2. The last part is entitled Conclusions (though it is one single final idea).</p> <p>3. However, I have a concern: a positive and direct relationship between tariffs and economic growth. Agree. Therefore, I don't understand the idea of maintaining tariffs barriers (of course, the GDP is increasing), but the trade must be allowed to function freely. If it's about the foreign trade (as I think), ok, customs have to apply the appropriate taxes/tariffs for higher revenues to the budget.</p>	<p>Tariff, Economic growth and Nigerian Economy.</p> <p>Conclusions.</p> <p>Due to custom rigidities and barriers, government should take political measures to review the activities of custom to enhance economic growth to attract higher revenue.</p>
