

**Editor's Comment:**

According to the reviewer's criticisms, the manuscript 2024/IJTDH/115030 is suitable for publication in International Journal of TROPICAL DISEASE & Health. As the authors inform that the study was sent to the Ethics Committee for evaluation, the approval protocol number must be included in the manuscript.

**Editor's Details:**

Prof. Rômulo Dias Novaes  
Institute of Biomedical Sciences, Federal University of Alfenas, Brazil.
