

## Review Form 1.7

Journal Name:	Journal of Advances in Microbiology
Manuscript Number:	Ms_JAMB_115197
Title of the Manuscript:	Trichoderma spp. isolates from agriculture field identified internal transcribed spacers (ITS), with chitinase activity and biocontrol activity against Fusarium spp.
Type of the Article	Research article

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p><b>Compulsory</b> REVISION comments</p> <ol style="list-style-type: none"> <li>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</li> <li>2. Is the title of the article suitable? (If not please suggest an alternative title)</li> <li>3. Is the abstract of the article comprehensive?</li> <li>4. Are subsections and structure of the manuscript appropriate?</li> <li>5. Do you think the manuscript is scientifically correct?</li> <li>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</li> </ol> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Manuscript is good and useful for scientific community as biocontrol agents has good demand in agriculture at field level also</p> <p>Make an effective and attractive title "Exploring <i>Trichoderma</i> spp. isolates: ITS Identification, chitinase activity and Biocontrol potential against <i>Fusarium</i> spp. In agricultural fields."</p> <p>Abstract is fine, but a little bit spelling correction should be done and better to give key words in alphabetical order and better not to start with a number</p> <p>Maintain uniformity all over the manuscript as somewhere you have mentioned abbreviate forms somewhere full forms and maintain proper and equal word spacing and line spacing</p> <p>Make the reference according to journal format, please refer other published papers from the same journal</p> <p>Must maintain same font all over the manuscript don't copy and paste</p> <p>Italicize the et al and in vitro everywhere in the intext manuscript</p>	
<p><b>Minor</b> REVISION comments</p> <ol style="list-style-type: none"> <li>1. Is language/English quality of the article suitable for scholarly communications?</li> </ol>	<p>Proper English should be used for the better understanding of the readers and try to avoid the spelling mistakes</p>	
<p><b>Optional/General</b> comments</p>		

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
