<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes, but it is needing some corrections. I underlined the English mistakes on the text. They need to put all graphics in a better place and readable. There are confusions among all graphics generated. As well all tables, crammed tables are heavy to read and look at. I left 2 tables as example on the text. The research is very important.</p>	
<p>Optional/General comments</p>
