

Editor's Comment:

Yes, I accept. this papers with some minor version

is the best to change the title to ("Exploring the Role of Leukocyte Adherence Inhibition Test in Assessing Non-IgE Mediated Immunoreactivity to Benzoic Acid in Allergic Patients")

and the author must be add exclusion criteria in the subject of materials and methods.

Editor's Details:

Dr. Hayder Ali Mohammed Al-Keraway
Assistant Professor, Veterinary Medicine College, University of Kerbala, Iraq.
