<p><b>Optional/General</b> comments</p>	<p>The article in my opinion is timely especially during this era of encouraging vegetable consumption as way to be health. However the article needs to address the following:</p> <ol style="list-style-type: none"> <li>1. The introduction section contains reference that are quite old. The author can use more current references.</li> <li>2. The tables have abbreviations that cannot be understood what they stand for since they have not been defined. These include, SOWW,MRWW,CFWW etc.</li> <li>3. The author need to do some inferential statistics to clearly indicate whether there is significance levels between the treatments.</li> </ol>
