

### **Editor's Comment:**

Manuscript Title: A study on Constraints Faced by Millet Stakeholders in Tamil Nadu, India

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the Attachment.

Also,

- The organisation of the manuscript to be checked.
- "Table 1,2,3,4,13", these should be referenced-[in the text].
- Check grammar.
- In the text, do not use the first person "we", "our".
- to have the text English proofread (mainly the article).

References should be checked.

- The sources used in the text are indicated as follows: "(Paschapur et al., 2021)..." etc.

Must be: [1],...

- All works cited in the text must be listed in the References.
- to elaborate the bibliographic citation and references format according to the needs of AIR.
