

Editor's Comment:

Based on the reviewers' comments and revision done by the author(s), the manuscript titled; Knowledge And Attitude Of Mothers Towards Human Papilloma Virus Vaccine Uptake In Nigeria can be published in our reputable journal. However, the author(s) is/are advised to remove the word "interviewers" from the abstract and replace it with researchers.

Editor's Details:

Dr. Bakare Kazeem Kayode
Associate Professor, School of Education and Human Sciences, Albukhary International University,
Malaysia.
