	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<ol style="list-style-type: none"> 1. Yes, this text on the impact of Nigeria's money market savings mobilization efforts on economic growth will definitely be considered important to the scientific community interested in economics, especially the Nigerian economy. Such a text would provide valuable insights into how financial policies and money markets can influence a country's economic growth. Such a text might include an analysis of how savings mobilization programs in Nigeria's financial markets have affected people's savings rates, capital flows, investment, and consumption. In addition, the text may also discuss the impact of money market savings mobilization on economic stability, inflation, and long-term growth capabilities. The information documented in such a manuscript will be a valuable resource for academics, researchers, policy makers and practitioners in the fields of economics and finance to understand the dynamics of the Nigerian economy and inform more effective policies in promoting sustainable economic growth. 2. Yes , but : <ol style="list-style-type: none"> a. "Savings Mobilization Strategy and Its Impact on Nigeria's Economic Growth" b. "Analysis of the Effects of Money Market Fund Mobilization on the Dynamics of Nigerian Economic Growth" c. "Nigerian Money Market: Transformation of Savings and Its Implications for Economic Growth" d. "Optimizing Financial Mobilization Initiatives for Economic Growth in Nigeria" e. "Nigerian Money Market Savings and their Role in Driving Economic Growth" f. "Mobilizing Savings: A Catalyst for Economic Expansion in Nigeria" g. "Money Market Savings as an Engine for Economic Growth: A Nigerian Case Study" h. "The Nexus between Market Savings Mobilization Efforts and Economic Growth in Nigeria" i. "Unraveling the Economic Growth Impacts of Market Savings Mobilization in Nigeria" j. "Navigating Economic Growth through Market Savings Mobilization Strategies in Nigeria" 3. Abstract is not comprehensive. When writing an abstract, writers should start from the problem, method, results or discussion and implications of the writing. 4. The writing in general is quite good, but there are several things that need to be improved, starting, title, abstract, introduction, method and discussion by paying attention to the rules and scientific elements of writing the manuscript 5. References are still lacking, there is a need for additional references, especially international journal articles, which are sufficient and relevant to the writing 	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> 1. Is language/English quality of the article suitable for scholarly communications? 	<p>The writing language is good and English too</p>	
<p>Optional/General comments</p>
