

Editor's Comment:

Manuscript Title: Unveiling the Confidence: Exploring Research Self-Efficacy Among Ph.D. Scholars

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the Attachment.

Also,

- The organisation of the manuscript to be checked.

“Figure 1,2,3,4”these should be referenced-[in the text].

- Check grammar.

- In the text, do not use the first person “we”
- to have the text English proofread (mainly the article).

References should be checked.

- The sources used in the text are indicated as follows: “(Tiyuri, et al., 2018)...” etc.

Must be: [1],....

- All works cited in the text must be listed in the References.
- to elaborate the bibliographic citation and references format according to the needs of AJESS.
