

Editor's Comment:

Please find the manuscript with corrections. Corrected words are in RED color to be retained and changes required are in YELLOW highlights.

1. The reference citation in the text is inappropriate method. Last 50-52 were cited in the introduction abruptly. Numbering should be continuous.
2. Citation of journal name must be full and not abbreviated.
3. Citation of journal name, year, volume, page number follow uniformity.
3. citation book chapter, text book follow as per guidelines.
