

Review Form 3

Journal Name:	Asian Journal of Soil Science and Plant Nutrition
Manuscript Number:	Ms_AJSSPN_120795
Title of the Manuscript:	EFFECT OF LIQUID NANO UREA FERTILIZER ON PERIODICAL GROWTH AND YIELD OF SUGARCANE
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.	This research is of great importance to support the global scientific library with research that deals with the effect of liquid nano urea fertilizer on the periodic growth and productivity of sugarcane. The use of nanotechnology in the manufacture of chemical fertilizers and their use for different crops requires many scientific researches.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write few sentences regarding the scientific correctness of this manuscript. Why do think that this manuscript is scientifically robust and technically sound? Minimum 3-4 sentences may be required for this part.	This research is scientifically strong because the researcher prepared the research according to scientific standards in terms of the language of writing, preparing field experiments, processing data, displaying results, and making appropriate recommendations.	
Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.	Yes	
Minor REVISION comments		
Is language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments	<ul style="list-style-type: none"> --- The title of the research should not be repeated in paragraph 2 --- The researcher should add the geographical location of the experimental site --- Prepare a table for the physical and chemical analysis of the field soil --- Prepare a table showing the treatments (T1 to T8)and quantities added for each Treatment --- Add the average results for tables 1 to 3 	

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
