

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_120232
Title of the Manuscript:	Effect of different levels of Macronutrients and Rhizobium on Soil Health and yield attributes of Field Pea (Pisum Sativum L.)
Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.	The manuscript is important for the scientific community, and for pea growing farmers. The paper contain a lot of interesting and useful data, and the results, by have a good applicability in the field. The authors should use italic font for Latin scientific names.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, the title is suitable for the paper.	
Is the abstract of the article comprehensive? Do you suggest addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, the abstract is suitable for paper, although there could be added some references more recent, there are plenty of paper on this field.	
Are subsections and structure of the manuscript appropriate?	Yes, the structure of the paper is appropriate!	
Please write few sentences regarding the scientific correctness of this manuscript. Why do think that this manuscript is scientifically robust and technically sound? Minimum 3-4 sentences may be required for this part.	The authors could provide more details regarding the materials – the origin of biological material, the density of sowing, the methods regarding the soil analysis presented into results section, methods of growth and yield characters determinations.	
Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.	The authors could add more recent references, most of them are 10-15 years old.	
Minor REVISION comments Is language/English quality of the article suitable for scholarly communications?	Yes.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes. Kindly please write down the ethical issues here in details)</i>
