

**Review Form 3**

Journal Name:	<b>Journal of Advances in Biology &amp; Biotechnology</b>
Manuscript Number:	<b>Ms_JABB_120309</b>
Title of the Manuscript:	<b>Beyond Bugs: Exploring the Role of Insects in Medicinal and Industrial Plant Applications</b>
Type of the Article	<b>Review Article</b>

**Review Form 3**

**PART 1: Review Comments**

<b>Compulsory</b> REVISION comments	<b>Reviewer's comment</b>	<b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.	As this review mentioning the medicinal and beneficial uses of the insects at industrial level, it will enhance the knowledge of the readers and scientific community in a positive way for rearing insects and they can learn about the new ways of utilising the insect for the improvement of farmer community economically and environmentally sustainable	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes it is suitable	
Is the abstract of the article comprehensive? Do you suggest addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract is comprehensive, better to write the key words in alphabetical order and italics	
Are subsections and structure of the manuscript appropriate?	Subsections are appropriate but once check all the headings of subsections and correct them	
Please write few sentences regarding the scientific correctness of this manuscript. Why do think that this manuscript is scientifically robust and technically sound? Minimum 3-4 sentences may be required for this part.	Please reduce the size of the paragraphs by splitting them. Large and continuous paragraphs may reduce the reading interest of the scientific community. As this manuscript mainly focuses on the beneficial uses of the insects, it will attract most of the readers to gain the knowledge.	
Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.	References are more and sufficient better to write in APA format and all the references should write in the same format. Once check clearly all the references	
Minor REVISION comments		
Is language/English quality of the article suitable for scholarly communications?	Better to reduce the fluency of the English, mostly used high end terminology and sentences are odd. Please check once before final submitting	
<b>Optional/General</b> comments	Check the sentences once which are highlighted and never start a sentence with numbers. Maintain some common rules of scientific terminology in any manuscript writing.	

**PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes. Kindly please write down the ethical issues here in details)</i>
