<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes (but not to full extent): Refer to the below review comments: under Optional/General comments.</p>	
<p>Optional/General comments:</p>	<ol style="list-style-type: none"> Refer to pages 6 and 7: Figures written in ₹: I suggest that corresponding figures in USD and Euro be added (in bracket). It will facilitate researchers reading the article to understand and compare the figures. Refer to page-7, first sentence after end of Table 2: It should be written as: The table 2 above illustrates. Refer to page 11, end of Table-4: Instead of writing below: author(s) should present brief analysis (major trends) of data indicated in Table 4. The table 4 summarises the influence of migration status with expenditure and other explanatory variables I suggest that under Conclusion, areas for future research be added. Also, brief description on implications of findings for policy makers and other stakeholders be included in the article (either under Conclusion or as separate heading). Some more references should be added.
