

Review Form 1.7

Journal Name:	Asian Journal of Fisheries and Aquatic Research
Manuscript Number:	Ms_AJFAR_119897
Title of the Manuscript:	Effect Of Macroalgae Feed Type on Abalone Growth and Survival (Haliotis Squamata) On The Cultivation System Polyculture With Nemo Fish (Clownfish)
Type of the Article	Research article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>The manuscript has addressed an important issue that requires research at multiple levels. This manuscript chose species with relevance. However, it lacks clarity in the experimental set-up (eg. How were the macroalgae fed to abalone/clownfish, what was the species of clownfish, how was feed consumption determined). Further queries provided in document.</p> <p>With suggested modification it is</p> <p>No. Reduce background and provide more of the results and a conclusion</p> <p>Partially.</p> <p>No, there are missing details in the methods and results which make it difficult to determine what is accurate.</p> <p>Okay</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>No, it needs English and grammatical corrections. I have provided some track changes to document.</p>	
<p>Optional/General comments</p>
