EDITORIAL COMMENT'S on revised paper <b>(if any)</b>	Authors' response to editor's comments
<p>Please revise the manuscript accordingly based on the reviewers comment</p> <p>1. Need a reconsideration and rewrite of literature review section in a discursive form. Besides please describe the case study its singularity and a map of situation.</p>	<ul style="list-style-type: none"><li>• The literature review section is rewritten in a discursive form by including relevant and contemporary reviews.</li><li>• Provided a comparative overview of other cases in the relevant field. The theoretical frame wok which are more relevant to the study context is specially connected to conceptualise the situation of research context.</li><li>• The case studies are included with its singularity mapping the situation.</li><li>• The Bar diagram is replaced by Radar chart which would convey the WCI score of the respondents more clearly.</li></ul>
