Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	The English used is minor correction, for the recommendation you can Use commas to separate items in a list and clauses in complex sentences. Ensure the consistent use of articles (a, an, the) throughout the document. Avoid long, complex sentences by breaking them into shorter, clearer ones. Check for consistent tense usage to maintain coherence. Making these adjustments will improve the readability and professionalism of the document.	
Optional/General comments	Please download the template journal in this link, especially in menu "general guide for authors- important download links" https://journalair.com/index.php/AIR/manuscript-submission
