PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The article is relevant and highlights the importance of digital competence of postgraduate students in the 21 st Century. However, the title is partially written, the abstract is incomplete, weak justification of the study, poor methodology, and poor sampling.	
Is the title of the article suitable? (If not please suggest an alternative title)	No. The title of this manuscript is not fully captured and hence must be rewritten as "A critical examination of digital competency among postgraduate students of Burdwan University."	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	No. The abstract is detailed enough and does not include the study's recommendations.	
Are subsections and structure of the manuscript appropriate?	Not at all. The entire manuscript is not appropriately structured.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	However, it was poorly structured, the title was not clear, the abstract did not include recommendations, there was no problem statement, and grammatical errors were seen throughout the paper.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references were not sufficient. For instance, Vishnu et al. (2022) cited in the manuscript was not listed under the referencing column.	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	The quality of the English Language used in this paper is not suitable.	
Optional/General comments
