Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This article is important for the scientific community, especially when we know that no pollen, no life. Not forgetting the role pollen play in bee colony nutrition and others.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title of this manuscript is acceptable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The summary is quite clear	
Are subsections and structure of the manuscript appropriate?	The structure of the manuscript is acceptable	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This document is scientifically interesting in that very little work has been done on the subject. And we have recently noticed a significant drop in agricultural production in general, which should be brought under control for the benefit of farmers.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The bibliographical references are acceptable
