### PART 1: Review Comments

<b>Compulsory</b> REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The paper provides adequate grassroots information regarding poverty reduction among youth and women group in Arusha region in Tanzania	
Is the title of the article suitable? (If not please suggest an alternative title)	I suggest the title to be changed to: An assessment of the Role of Economic Empowerment Schemes on Poverty Reduction Among Youth and Women Groups: A Case of Arusha Region	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive and provides detailed summary of the paper	
Are subsections and structure of the manuscript appropriate?	The paper structure is appropriate	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The methodology used is scientifically robust and appropriate for the analysis. However, the researcher should ensure to put source on all the tables presented in the work.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. :	The currency of the article is high. However, I noticed that most of the studies referenced were not cited in the body of the work. example Ackermann et al (2007); Baque et al (2007); Birger et al (2017); Chan (2006); Fischer et al (2017); Florenz (2015) etc. hence, should be removed. While most studies cited were not in the reference list, example Bill and Melinda Gates foundation (2019); Adeyanju et al (2023); Abdullahi et al (2023); Amos & Lutego (2022); crossman (2019) etc. to be included since the journal adopted reference style not bibliography. The et al. should be italicized	
Minor REVISION comments  Is the language/English quality of the article suitable for scholarly communications?	The English Language used is appropriate for the article	
Optional/General comments
