

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Food Research and Nutrition
Manuscript Number:	Ms_AJFRN_119907
Title of the Manuscript:	Development and standardization of lemongrass into coffee powder for preparing Cappuccino
Type of Article :	

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The authors have effected no change on the revised paper. The introduction still has sections with titles, the sections in the materials and methods are not numbered, the same result is presented twice as a table and as a figure in the Results and Discussion. The formatting of the manuscript is very poor and cannot be justified by the responses of the authors.
