Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Yes, I liked the topic selected. Prenatal dental care is most important and always neglected. This manuscript high lightens the important findings regarding prenatal care awareness.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, but title should represent study design	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, it is appropriate	
Are subsections and structure of the manuscript appropriate?	Discussion should be motioned separately. Important tables should be present in graph.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The topic is recent and much needed to be study	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	References are not arranged properly.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	yes	
Optional/General comments	Manuscript is good	

PART 2:
