The study lacks comprehensiveness in its content, structure, analysis, and discussion of the results.</p> <p>Additional elaboration and important results, as well as an overview of the study, are required.</p> <p>The references are sufficient.</p>	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> 1. Is language/English quality of the article suitable for scholarly communications? 	<p>Need to further proof read this manuscript.</p>	
<p>Optional/General comments</p>	<p>This manuscript is relatively brief, with little technical description of the procedures utilized and a poor discussion of the findings presentation. Not critically clarify how the samples were chosen or the protocol utilized to conduct the interviews. The literature review also lacks author insights in the selected statement to support the overall study. The author fails to go in detail on the cultural textile impact and thriving fashion scene, types of apparel, and artistic expressions that represent current cultural values and social norms.</p>
