Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.	This manuscript is very important for scientific community. Because it provides an effective animal trial proof of curing konzo disease by utilizing BN extract. This manuscript discussed in detail about the use of BN extract to inhibit ROS which is a cause for various other diseases such as cancer, CVD and neurodegenerative diseases. Treatment of Konzo disease is discussed in detail in this manuscript by doing experiments on rats. I like this manuscript as it will be a good addition in the literature towards herbal treatments.
