

Editor's Comment:

The manuscript, 2024/JAMMR/114378 entitled "Spontaneous Femoral Artery Rupture Presenting to the Emergency Department in Haemorrhagic Shock After a "SNEEZE" - A rare complication in a Post-Operative Patient" is ready for publication. My final editorial decision about the manuscript is "ACCEPT".

Editor's Details:

Dr. E. Umit Bagriacik
Gazi University, Turkey.
