Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.	I like this article because of its importance for the general community. This will increase the breastfeeding rate. It highlighted the benefits of breastfeeding. It is beneficial for the child as well as for the mothers.	
Is the title of the article suitable? (If not please suggest an alternative title)	You have mentioned infant but you are looking from 3 to 24 months, the infant is up to 12 months, think about it.	
Is the abstract of the article comprehensive? Do you suggest addition (or deletion) of some points in this section? Please write your suggestions here.	They can add the study design, it is missing in the abstract.	
Are subsections and structure of the manuscript appropriate?	Yes, it seems good but one more thing. They should add the full form of SES in the abstract. Please add the study design in the manuscript as well. The manuscript also have some grammatical errors and some space issues as well, it should be corrected.	
Please write few sentences regarding the scientific correctness of this manuscript. Why do think that this manuscript is scientifically robust and technically sound? Minimum 3-4 sentences may be required for this part.	Yes this manuscript is technically sound. After the feedback they can do some minor changes.	
Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.	Some of the references were too old like 1981, 1999, 2003, and 2004. It should be above 2014.	
Minor REVISION comments Is language/English quality of the article suitable for scholarly communications?	Yes.	
Optional/General comments
