Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Socio-economic development incorporates public concerns in developing social policy and economic initiatives. The ultimate objective of social development is to bring about sustained improvement in the well-being of the individual, groups, family, community, and society at large. Continuous monitoring of information on socio-economic status of farmers like family type, literacy, caste, age etc is essential to formulate the future policies for improvement of dairy farming.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title is ok but my suggestion would be Dairy Farming in Ghazipur-A Socio-Economic Perspective
