Title of the Manuscript:	Studying Dahi Consumption Trends and Awareness of Nutritional and Health Aspects: A Consumer Analysis in Anand and Vidyanagar
Type of the Article	Research

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The manuscript deals with the information on the consumption pattern of dahi, an important value-added product made from milk and the awareness of the society of its nutritional benefits. This will help in understanding the demand and purchasing power of the community and the trends in this market.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title can be revised as: Trends and Awareness of Nutritional and Health Aspects of Dahi Consumption: A Consumer Analysis in Anand and Vidyanagar	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is well drafted and covers all the aspects taken up in the study.	
Are subsections and structure of the manuscript appropriate?	He authors should add the data of the dahi production both in the organised and unorganised sector in the country. The reason for non-consumption of dahi by the respondents should be explained.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The study is a survey done by random selection of the respondents. The respondents are a varied lot and a representative sample of the population covering all areas of the society making the research meaningful.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	yes	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
