PART1:ReviewComments

Compulsory REVISIONcomments	Reviewer'scomment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that a author should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Have provided new findings from India based on this field, However please make it more scientific in terms of presentation and writing.	
Is the title of the article suitable? (If not please suggest an alternative title)	Please add name of country.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, need addition. Not all results presented especially for the moist content. Add the conclusion and application from your findings.	
Are subsections and structure of the manuscript appropriate?	No. Please refer my comments.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Yes, every part needs correction. Please refer my comments. My suggestion please refer to any published paper which is good as a reference. I can see many parts not important also presented which do not sound scientific.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	OK. Adequate.	
Minor REVISIONcomments Is the language/English quality of the article suitable for scholarly communications?	Yes, really need English proofread.	
Optional/General comments	-
