

Editor's Comment:

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the Attachment.

Also,

- “Table 2.3.4.5”, this should be referenced - [in the text].
- Check grammar.
- to have the text English proofread (mainly the article).

References should be checked.

- The sources used in the text are indicated as follows: “(Miller, 2018)...” etc.

Must be: [1],....

- All works cited in the text must be listed in the References.
- to elaborate the bibliographic citation and references format according to the needs of ARJASS.
