

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_120886
Title of the Manuscript:	Evaluation of the Gregarious Pupal Parasitoid <i>Nesolynx thymus</i> (Hymenoptera: Eulophidae) for Biological Control of Uzi Fly
Type of the Article	Original Research Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Manuscript has the greatest important for the scientific and farming community as Parasitoid is major biological control for the Uzi fly	
Is the title of the article suitable? (If not please suggest an alternative title)	Evaluation of the parasitic potential of Pupal Parasitoid, <i>Nesolynx thymus</i> (Hymenoptera: Eulophidae) during different crop growing seasons for Biological Control of Uzi Fly	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Please mention weather it field study or laboratory study, second line of abstract you have mentioned that experimental rearing room and in abstract the study results you given the field observation	
Are subsections and structure of the manuscript appropriate?	Yes manuscript is structured and subsections also given nicely, some of the paragraphs are not in synchronized, follow the suggestion given in the comments	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The parasitoid has gregarious nature may scientifically correctness, I think manuscript has technically sound as parasitoid is typical biological control agent and has potential for the management of the Uzi fly. Just mention whether it is eco parasitoid or end parasitoid	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Reference are sufficient for the paper, please follow the journal format, in the citations you written numbers and names of the authors, keep only anyone as per the journal requirement	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Manuscript requires minor revision	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes. Kindly please write down the ethical issues here in details)</i>
