Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Issues of farm production and marketing are issues of importance to the Scientific Community. This is because after-harvest losses occur where no proper marketing strategies exist leading to financial losses to crop farmers as well as food shortage in the market. Production and marketing must go hand in hand for success in any venture.	
Is the title of the article suitable? (If not please suggest an alternative title)	YES. The title is appropriate though a topographical error should be corrected. <i>Econosmic</i> Analysis of Papaya Farming in Chitradurga: Production and Marketing Perspectives. *The first word should be: ECONOMIC...	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	YES. The abstract is sufficiently comprehensive.	
Are subsections and structure of the manuscript appropriate?	The paper is well structured starting with the abstract, going to introduction, data and methodology, results and discussion, conclusion and onto the references.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Issues of production and marketing in any field, whether manufacturing or agricultural, critical. This is because output needs to get to the market for the venture to be useful/profitable. Production and marketing must go hand in hand for success in any venture.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are not sufficient... More recent should be added. I also recommend that APA referencing style be used.
