

**Review Form 3**

Journal Name:	<b>Annual Research &amp; Review in Biology</b>
Manuscript Number:	<b>Ms_ARRB_121759</b>
Title of the Manuscript:	<b>Biology of Muga Uzi Fly: The Menace threatening the Muga Industry</b>
Type of the Article	<b>Original Research Article</b>

**Review Form 3**

**PART 1: Review Comments**

<b>Compulsory</b> REVISION comments	<b>Reviewer's comment</b>	<b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This article is important for the sericulture industry because understanding the biology can help to identify and control the pest. The manuscript is interesting because the photographs showing the life cycle and the infestation can help the scientists to identify the pest.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yesm but can elaborate a little more on the results	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The biology of uzi fly is extensively studied. The uzi fly infestation is studied under laboratory conditions which helps to understand all stages better. The images shows the infestation and the changes that occur in the body of the silkworm. Since the worm dies if infested the intensity of infestation in field conditons can be studied in future which will prove beneficial for the farmers.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	YEs	
<b>Minor</b> REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes , few corrections have been highlighted which the author must correct.	
<b>Optional/General</b> comments		
	The manuscript is well written without much errors.	

**PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
