Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Assessing these bottlenecks is important to find ways to improve the management of grain straw in Punjab. By identifying and addressing these obstacles, the value chain can be optimized to make the process smoother and more effective.	
Is the title of the article suitable? (If not please suggest an alternative title)	No Assessing bottlenecks in the grain straw value managements chain in Punjab	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	"This research aims to provide valuable insights into sustainable agricultural practices in Punjab, fostering a transition toward more environmentally friendly and economically viable straw management and rice wheat cultivation strategies". The above statement is the aim of the research and should be in-between the introduction and the method statement on the abstract.	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Is emphasizing the importance of identifying and solving problems in the management of grain straw in order to make the whole system work better.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments
