|                          |  |
|--------------------------|--|
| Journal Name:            | <b>Journal of Advances in Biology &amp; Biotechnology</b>  |
| Manuscript Number:       | <b>Ms_JABB_120483</b>  |
| Title of the Manuscript: | <b>Unraveling the mysteries around the digital sequencing data in agricultural &amp; horticultural crops</b> |
| Type of the Article      |  |

**Review Form 3**

**PART 1: Review Comments**

| <b>Compulsory</b> REVISION comments  | <b>Reviewer's comment</b>  | <b>Author's Feedback</b> (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|--|---|
| Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.                           | Yes, it is important. It is very much crucial to understand the mysteries around the digital sequencing data in agricultural & horticultural crops. But this paper needs to incorporate the changes/corrections/suggestions as per the comments indicated in the comment boxes of the file attached.   |   |
| Is the title of the article suitable?<br>(If not please suggest an alternative title)  | Yes  |   |
| Is the abstract of the article comprehensive? Do you suggest addition (or deletion) of some points in this section? Please write your suggestions here.  | No, the abstract should be strengthened.   |   |
| Are subsections and structure of the manuscript appropriate?   | No, proper and valid examples as well as data from various research areas should be mentioned in every heading, sub-heading, etc. Intext citations also very less. It is recommended to add more citations.  |   |
| Please write few sentences regarding the scientific correctness of this manuscript. Why do think that this manuscript is scientifically robust and technically sound? Minimum 3-4 sentences may be required for this part. | This manuscript is scientifically correct. But it should be written well with some more information, current issues, intext citations etc. Only few case studies are mentioned. The writing style and format should be followed strictly as per journal's guidelines.                                  |   |
| Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.  | Reference style should be thoroughly checked. References should be in a proper format and the font should be the same. Recent (2024, 2023, 2022, 2021, etc.) and relevant references in every heading and sub-heading are recommended. Repetition of same article in reference part should be avoided. |   |
| <b>Minor</b> REVISION comments   |  |   |
| Is language/English quality of the article suitable for scholarly communications?  | Yes, but it can be improved  |   |
| <b>Optional/General</b> comments   | <b>AI tools should be avoided to write manuscript</b><br>Please follow the journal guidelines  |   |

**PART 2:**

|   | <b>Reviewer's comment</b>  | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|--|--|
| <b>Are there ethical issues in this manuscript?</b> | <u>(If yes, Kindly please write down the ethical issues here in details)</u> |  |
