Review Form 3

PART 1: Review Comments

| <u>Compulsory</u> REVISION comments | Reviewer's comment | Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|---|---|---|
| <p>Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.</p> | <p>The manuscript has provided some valuable information on seasonal abundance of thrips that will avail the understanding of thrips population fluctuations that can aid in developing appropriate management strategies based on the crop's growth stage.</p> <p>It also provides a valuable data regarding thrips incidence that can allow farmers to identify trends and their patterns of life cycles.</p> <p>The manuscript also avails scientific community with a basic understanding of the relationship climatic factors with thrips population as important for developing an integrated pest control strategy for thrips in for a given climatic trend.</p> | |
| <p>Is the title of the article suitable? (If not please suggest an alternative title)</p> | <p>Yes</p> | |
| <p>Is the abstract of the article comprehensive? Do you suggest addition (or deletion) of some points in this section? Please write your suggestions here.</p> | <p>Yes, the abstract of the article is comprehensive.</p> | |
| <p>Are subsections and structure of the manuscript appropriate?</p> | <p>Yes, they are appropriate.</p> | |
| <p>Please write few sentences regarding the scientific correctness of this manuscript. Why do think that this manuscript is scientifically robust and technically sound? Minimum 3-4 sentences may be required for this part.</p> | <p>The manuscript was arranged based on sound scientific methodology of conducting research. The wordings and sentences of the manuscript are technically framed according to scientific rules.</p> <p>The language and grammar used in the discussions are accurate.</p> | |
| <p>Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> | <p>With the exception of four recent references of 2017,2018,2019 and 2022, other references used are not recent hence, the need for references to be of recent no more than five years to 2024.</p> | |
| <p><u>Minor</u> REVISION comments</p> <p>Is language/English quality of the article suitable for scholarly communications?</p> | <p>Yes, the quality of the English language used are suitable for scholarly communications.</p> | |
| <p><u>Optional/General</u> comments</p> | | |

Review Form 3

PART 2:

| | Reviewer's comment | Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|---|--|---|
| Are there ethical issues in this manuscript? | <i>(If yes, Kindly please write down the ethical issues here in details)</i> | |
