

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_126691
Title of the Manuscript:	A CENTENARY REVIEW ON LEAF ROT DISEASE OF COCONUT
Type of the Article	

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This review is crucial for sustaining coconut cultivation in tropical regions, where Leaf Rot Disease (LRD) has impacted both yield and farmer livelihoods for over a century. By consolidating research on LRD's progression, climate influences, and integrated disease management strategies, it highlights the need for sustainable, climate-resilient approaches to protect this economically vital crop. The findings aim to guide future research and develop effective solutions for mitigating LRD's impact.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes. It is suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes It is comprehensive	
Are subsections and structure of the manuscript appropriate?	Yes..appropriate but if possible mention about Impact of Environmental and Climatic Factors, Plant-Microbe Interactions in Disease Management and Economic Significance and Regional Management Needs.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	If possible epidemiology and etiology can be represented pictorially. It makes readers to understand easily.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Few more references should be added.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Good and Minor spelling mistakes should be corrected	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
