Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This is a review of the effect of inorganic fertilizers on entomopathogenic nematodes. The article discusses some studies that have investigated the effect of inorganic fertilizers on the survival and efficiency of nematodes.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	It's ok.	
Are subsections and structure of the manuscript appropriate?	No.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	About de structure: There are very long paragraphs, with lots of information and few references. I suggest breaking it up into smaller sentences and referencing all the information. The text lacks more information and greater depth in terms of the concepts presented.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Can be improved	
Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	It's ok.	
Optional/General comments	I suggest that the text be revised and improved
