

### Review Form 3

Journal Name:	<a href="#">Journal of Experimental Agriculture International</a>
Manuscript Number:	Ms_JEAI_126892
Title of the Manuscript:	A Review of Biological Interactions and Management Strategies for the Cotton Bollworm, <i>Helicoverpa armigera</i> (Lepidoptera: Noctuidae)
Type of the Article	Review Article

#### PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	American Bollworm ( <i>Helicoverpa armigera</i> Hub.) is highly polyphagous and destructive pest of cotton. Bt cotton has given revolutionary lucrative effect on cotton production scenario. Biological control and other IPM practices have plotted a new integrated approach in this review article. Almost all the possible aspects are covered in this review article to manage the infestation of American Bollworm in Cotton.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	<ol style="list-style-type: none"> <li>All the scientific name in the whole article (from Abstract to Reference section) should be in Italics and there should be a space between genus and species. All are highlighted.</li> <li>Some tables can be incorporated about applying several biocontrol agents, biorational management, Resistant varieties list and botanicals application.</li> <li>Some case studies can be included.</li> </ol>	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. -	Yes.	

### Review Form 3

Minor REVISION comments <b>Is the language/English quality of the article suitable for scholarly communications?</b>	Yes. One or two words need to be checked.	
<b>Optional/General</b> comments	Molecular aspects can be studied further. <b>PLEASE SEE ATTACHMENT</b>	

### **PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>	

### **Reviewer Details:**
