

Review Form 3

Journal Name:	Archives of Current Research International
Manuscript Number:	Ms_ACRI_127542
Title of the Manuscript:	Exploring Barriers to the consumption of Neglected and Underutilized Green Leafy Vegetables in rural and urban populations of the tribal regions of Garo Hills, Meghalaya, India
Type of the Article	

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I like the author's research because before solving any problem researcher it is mandatory to analyse the causes and reason behind the problem. Therefore quotation of associated factors is beneficial regarding the problem.	
Is the title of the article suitable? (If not please suggest an alternative title)	yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract of article is sufficient.	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	This study highlights the divergent barriers to Green Leafy Vegetable (GLV) consumption in urban and rural settings of Garo Hills, revealing that urban areas are primarily challenged by availability, while rural areas face a significant knowledge gap regarding the nutritional benefits of GLVs. Therefore associated diseases can be hypothesized.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	New Reference could be added more	
Minor REVISION comments	yes	
Is the language/English quality of the article suitable for scholarly communications?		
Optional/General comments	New review study should be quoted and added to references regarding your study.	

Review Form 3
