

## SDI FINAL EVALUATION FORM 1.1

### PART 1:

Journal Name:	<a href="#">Asian Journal of Education and Social Studies</a>
Manuscript Number:	Ms_AJESS_126966
Title of the Manuscript:	Exploring The Effect of Reliability and Responsiveness on Customer Satisfaction at Kadron Photography
Type of Article :	Original Research Article

### PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The author has not added the location from where the sample has been collected. The instrument (Questionnaire) used for data collection has also not been mentioned. Font used for mentioning sources of figure 1 & figure 2 is not in synchronisation (different font size). Literature review section is still not separately created.	<ol style="list-style-type: none"><li>1. Sample location have been added</li><li>2. Research instrument have been added as well as the source of reference</li><li>3. The font size in figures 1 and 2 has been adjusted</li><li>4. Literature review section has been separated</li></ol>
