

**Editor's Comment:**

I have had the opportunity of reviewing the original article, the evaluations by the two reviewers, and the final draft of the article. I find that both reviewers deemed the article suitable to be published with minor revisions, and that the authors incorporated the suggestions made reasonably well. Thus, I find that the article is ready for publication in the Asian Journal of Research and Reports in Neurology in its reviewed version. Please feel free to contact me if further clarification or information is needed. Please receive warmest regards.
